ABOUT IICSR

Founded in 2010, IICSR Group has built a global platform for advancing responsible business leadership through education, research, advisory, and impact-led initiatives. Its work spans sustainability, ESG, CSR, biodiversity conservation, and women's empowerment, with a focus on translating emerging global priorities into practical capabilities for organisations and professionals.

IICSR's programmes are accredited by the **American Council of Training and Development (ACTD), the Management & Entrepreneurship and Professional Skills Council (MEPSC)—a Sector Skills Council under the Ministry of Skill Development and Entrepreneurship, Government of India—and the European Association of Higher Education Advancement (EAHEA).**

Through IICSR and Sustainability Knowledge Management Pvt. Ltd., the Group works at the intersection of capacity building, research, strategic advisory, and implementation in CSR, Sustainability, ESG, and Responsible Business Leadership. **With 10,000+ mid- and senior-level executives trained** and a **portfolio of 100+ specialised courses**, IICSR has developed a practice-driven learning ecosystem designed to help leaders navigate complex sustainability challenges and translate knowledge into measurable organisational action.

With registered entities in India and the United States, IICSR continues to expand its international footprint while building the skills, leadership capabilities, and institutional systems required for the next generation of sustainable and responsible enterprises.
