Leadership

Harsha Saxena

Founder & CEO, IICSR Group

Harsha Saxena leads IICSR Group's work across sustainability education, research, advisory, corporate capability building and global dialogue platforms. Her work focuses on ESG, CSR, Net Zero, climate action, responsible business and sustainable finance, with an emphasis on translating sustainability knowledge into practical institutional and professional capability.

Accreditations

- American Council of Training and Development (ACTD), USA
- Management & Entrepreneurship and Professional Skills Council (MEPSC), a Sector Skill Council under the Ministry of Skill Development and Entrepreneurship, Government of India
- European Association of Higher Education Advancement (EAHEA)

What iiclr.com represents

Professional Education

Masters programmes, professional certifications, self-paced learning and executive programmes across

sustainability, ESG, CSR, Net Zero and related domains.

Corporate Capability Building

Customised training and capacity-building for organisations, teams and extended value chains.

Advisory & Implementation

Practice-oriented sustainability advisory, research and implementation support.

Events & Dialogues

International Net Zero Summit, Sustainability Dialogues, CSO Roundtables, workshops and webinars.

Knowledge & Publications

Books, research, reports, newsletters, videos and long-form knowledge resources.

Flagship platforms

International Net Zero Summit (INZS)

A multi-stakeholder platform bringing together corporations, professionals, researchers, policymakers, institutions and solution providers around Net Zero implementation.

Sustainability Dialogues

A continuing dialogue format focused on sustainability challenges, innovation, investment, capability and implementation.

CSO Roundtables

Focused leadership discussions on corporate sustainability needs, climate-tech solutions, adoption and financing.

LIGC - Live Interactions with Global Changemakers

A long-running conversation platform featuring global leaders, practitioners, academics and changemakers.
