CURRICULUM VITAE: Besides styling Kangana Ranaut in *Queen* (2013) and dressing Aamir Khan in *PK* (2014) and *Dhoom: 3* (2013), this designer duo's accolades include *Filmfare* awards for Best Costume Designer for their work in *Oye Lucky! Lucky Oye!* (2008) and *Shanghai* (2012).

THE INSPIRATION: "The dress tells the story of Miranda from *The Tempest*. The palace depicted on her skirt denotes the kingdom she loses. She is stranded on an island, reflected through the big wave and the thunder and lightning [paper carvings on her skirt]. The colour white symbolises her innocence and naivety."

MATERIALS USED: Kitchen rolls, tissue paper, paper plates, cups, aluminium foil, recycled handmade paper and shola tree bark >
